HEALTHCARE ON MISSION  
+ STREET MEDICINE EXPERIENCE

**Shannon  
Fernando, RN,  
MSN-FNP-C**

Serving as both the Director of Innovation at LA Christian Health Center and founder of Alabaster International, Shannon will share on "**Choosing the Harder Thing: Journeying with Jesus from Skid Row to Africa**," combining a vision for bringing holistic care and education to communities that have been overlooked by going where others choose not to go.

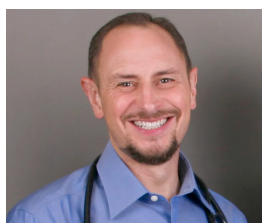

**Andre  
Cipta, MD**

Faculty at the new Kaiser Permanente Medical School in Pasadena, received a grant to conduct a study with CMDA and Kaiser as to why physicians pray or do not pray with their patients. Insights from this study will be shared, as well as ways in which Dr. Cipta plans on continuing to integrate faith and medicine both as a clinician and faculty member.
