On the Road 70 Days Out of 100!

It's been two months since I last sent you an update, and the bolded statement above may explain why.

Over the last nine weeks, I have been on the road

44 days. I wish I could say that season is over, but I'll actually be gone three out of the next five weeks.

And I wouldn't have it any other way!

After a week with her, there was an incredible trip to Colorado where God blew me away, witnessing students, professionals and more serving in the name of Jesus through healthcare! Groups of 20+ in homes up and down

the front range, including a group of 70+ in Colorado Springs, was such a blessing. Vice President of Dental Ministries Dr. Bill Griffin shared about our curriculum, Faith Prescriptions, and the engagement with professionals was amazing!

Less than week after getting back from Florida, Sherry, Katey and I headed to Oahu to meet with professionals and students (plus some amazing R & R time). What an amazing trip!

Southern California was next, where I was able to connect with students at UCSD, UCR, UCLA, USC Dental, Loma Linda and a new school, Charles Drew University, an HBCU outside of Los Angeles.

What's next? Madagascar...(but seriously). I leave for Madagascar later today for more than two weeks to come alongside a friend I've been mentoring who is working alongside Mercy Ships and his own ministry, Equip Madagascar (equipmadagascar.org). I am beyond humbled! I will certainly share more about that when I get back. The hope is to generate a similar CMDA-type ministry there, in addition to help create and plan a healthcare missions conference.

The week after Thanksgiving finds me in Tennessee at our headquarters for an annual retreat. When I get back from that, the 70 out of 100 is complete!

Thank you for supporting the hundreds—if not thousands—God is impacting through this ministry. I am honored, humbled and carry the weight of the responsibility to train leaders, cultivate community and pastor healthcare professionals and students throughout the West and around the world.

Grace, peace and happy Thanksgiving,

Wes
